Attendance & Tardies

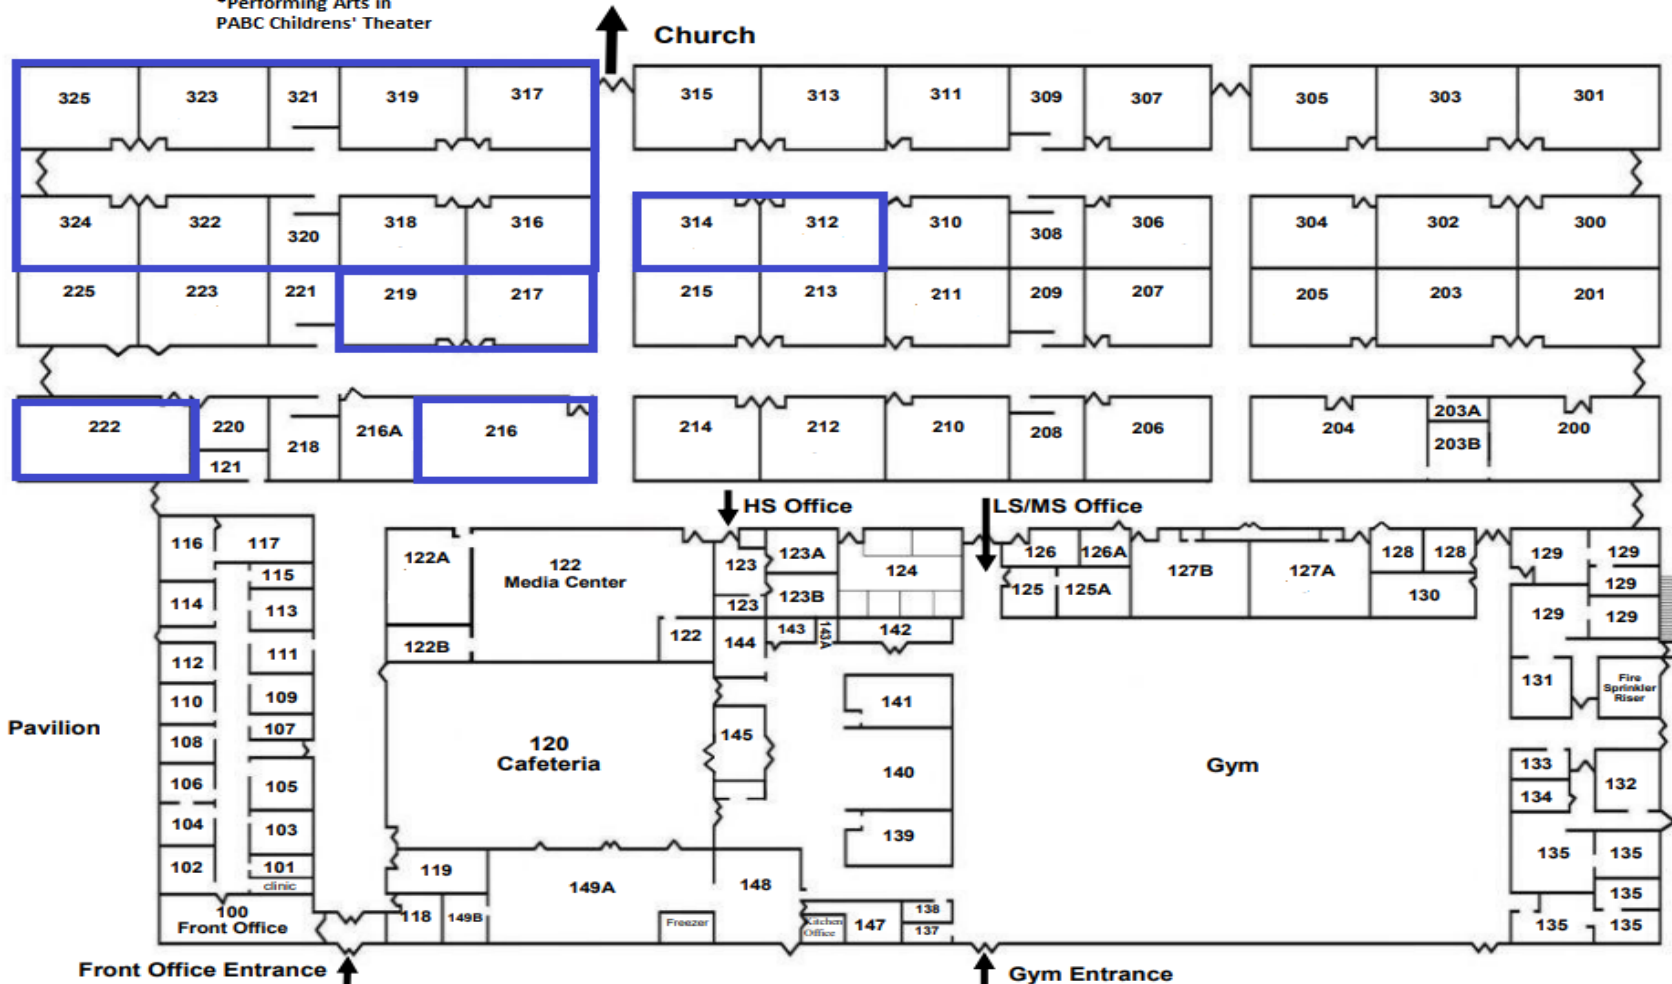

- “10% Rule” Applies for absences (no “excused” or “unexcused”): 8 or more absences in a class during one semester results in a 2 point deduction from semester grade.
- Sick student should be fever free for 24 hours before returning to school.
- A doctor’s note turned into the middle school office upon return from absence is highly encouraged.
- Tardies: 4 unexcused tardies per quarter without penalty. A 5th unexcused tardy in a given quarter will result in a detention.

Classroom Locations

*Band in PABC Middle School Theater
 *Performing Arts in PABC Childrens' Theater

New Middle School Student Information

-Schedules will be open in FACTS SIS at the end of July for students to see their class schedule and teachers.

-Class schedules will include a locker number. Students may not use locks on their lockers.

FACTS SIS

- Student grades, attendance and homework are posted in FACTS SIS for student and parents to view
- Automatic parent e-mail notification sent out for any grade 75 or below

Laptops and OneNote

- All middle school students will be given a laptop device.
 - Student training will be ongoing and expectations clear.
 - Teachers can post class resources for students to OneNote.
 - OneNote is different than FACTS SIS
 - OneNote = classwork, notes, worksheets, videos, announcements, links, etc.
 - FACTS SIS = grades, attendance, homework due dates
-

Student E-mail Accounts

- All middle school students will be given a school e-mail account
 - This account is for communication with administrators and teachers
 - Students are not allowed to change the account domain (Yahoo, Gmail, Hotmail, etc.)
- Students with email, laptop or OneNote issues should email PACS IT Office (itsupport@princeave.org)

Some Tips for Middle School Parents

- The administration and teachers are partnering with you to provide a Christ centered, comprehensive education for your child.
 - Be deliberate in displaying support for your student's teachers and administration in front of your student.
 - Please seek the "other side" before pressing "send".
 - Give your child space to make mistakes and learn from them; this is a "safe environment" to learn.
 - *Please*, set age-appropriate guidelines for technology at home.
